

TITLE

Sure Shot HD Video Game System: Big Buck Bundle

DESCRIPTION

Bring the hit arcade game action of Big Buck Hunter to your living room with on the Sure Shot HD Complete Video Game System. The Big Buck Bundle includes two wireless controllers for multiplayer gameplay and two complete Big Buck Hunter arcade favorites. The Sure Shot HD game console comes preloaded with both Big Buck Hunter Pro and Big Buck Safari, each with hundreds of levels and challenging bonus games. The Bluetooth wireless controller provides accurate aiming and fast shooting with realistic pump-action reloading. The Sure Shot HD system can also connect over Wi-Fi to access leaderboards, tournaments, and the online Sure Shot Shop.

Sure Shot Game Console

Easily connect the set top console to any HDTV via the included HDMI cable. Includes memory storage for the preloaded Buck Hunter games, downloadable expansion packs, and additional games available for download. Six IR sensors provide accurate, realistic aiming. Connects over Wi-Fi to access updates, leaderboards, weekly tournaments, and the online Sure Shot Shop.

Bluetooth Wireless Controller

The Big Buck Bundle includes two controllers for instant head-to-head competition! Super accurate alignment and rapid reload pump-action delivers arcade style fun. Uses Bluetooth low energy technology for extended battery life and fast connection to the system. Remove the convertible rifle stock for pistol-style play.

Big Buck Hunter® Pro™

America's #1 arcade hunting game, which entertains over 20 million players every year, is now available to play in your living room. Play through all 6 adventures, 18 popular hunting regions, 360 unique and challenging levels, and 18 super fun bonus games. Up to 4 players can take turns, or add a second controller (sold separately) for head-to-head simultaneous 2-player gameplay.

Big Buck Safari®

Big Buck Safari® takes you across the entire continent of Africa as you hunt Gemsbok, Kudu, Sable, Cape Buffalo, Wildebeest and countless critters. Trophy Animals add a new twist with elusive animals like Elephants, Giraffes, Rhinos and more.

Sure Shot Shop

Connect online and create a Sure Shot Shop account to get new game. Download and install expansion packs for Big Buck Hunter that add new adventures and gameplay. New arcade-style, casual games are constantly being added including the hit action shooter Major Mayhem - run and gun your way through 3D battlefields on a mission to battle the Forces of Evil.
